**HIRING REFORM BOOT CAMP SERIES**

The Partnership for Public Service, in partnership with the Office of Personnel Management (OPM), will host a three-part series on how federal agencies can maximize results as they implement recruitment and hiring reforms. These highly interactive boot-camp sessions will examine three key themes: 1) driving change in complex organizations; 2) manager accountability and involvement; and 3) data-driven decision making. Senior agency officials (including deputy secretaries), agency leads, and POCs are invited to attend and together will comprise the government-wide Hiring Reform Leadership Council. Stay tuned for more information – including agenda and dates – later this month.
